

The 2017 IEEE/ACM International Conference on Advances in Social Networks Analysis and Mining (ASONAM 2017)

Camera Ready Paper Submission Instructions

Templates

The camera ready manuscripts should be prepared using the IEEE conference templates ([Microsoft Word 2003 US letter template](#) or [LaTeX Windows template](#)) as these can be downloaded from the following link: https://www.ieee.org/conferences_events/conferences/publishing/templates.html

Note for LaTeX users: Be sure to use the template's conference mode.

Copyright statement

Before submitting the camera ready paper, an email from the ACM right management system (rightsreview@acm.org) requesting to complete the rights management form online will be sent to you.

After completing the rights management form, the contact author(s) will be emailed the correct rights management text and bibliographic strip to place within your paper on the bottom of the first page left column.

Page numbering

The page numbering will be added by the Publication Chairs and thus at the submission stage there is NO need to add any page number in your manuscript.

PDF creation

The camera ready file should be submitted in PDF format, optimized for fast web viewing, with Type 1 fonts (scalable) embedded within the PDF file.

Checking for embedded fonts in a PDF file

- 1) Open file in Adobe Acrobat or Reader
- 2) Click on the "File" menu option
- 3) Click on "Document Properties"
- 4) Click on the "Fonts" tab
- 5) Each font listed should have "(Embedded)" or "(Embedded Subset)" next to the font name

Online Submission System

The camera ready papers should be submitted in the following link <https://easychair.org/conferences/?conf=crvasonam2017> before **June 23, 2017 11:59 PM American Samoa Zone (UTC-11)**.
